| Surrey County Council Highway response | | | | | | | | | | | | | | | |
|--|--|--|---|--|--|--|---|--|--|-----------------------------|--|--|--|--|----------------|
| | SCC grit and snow plough priority routes | | | | | | | | | | | | | | |
| | Farmers snow ploughing some minor roads | | | | | | | | | | | | | | |
| | | | SCC rec'd partners priority locations list and provide grit as and where possible | SCC re-stocking salt bins ad-hoc & clearing town footpaths | | Further restricted priority route gritting | Highways Authorities now working on 25% reduction of salt usage | National "Salt Cell" set up to control grit supply | Highways Agency Reducing Gritting By 50% | National Salt Cell Delivery | | | | | Normal service |

Note : Priority routes - All A & most B roads fall under the P1 gritting network, which Surrey is committed to keep clear. Some minor roads in towns and linking villages, which fall under the P2 network are tackled once the P1 network has been cleared.
