Dear Mr Evans,

**Re: Neighbourhood Planning (General) Regulations 2012**  
**Designation of Godalming as a Neighbourhood Area**

I write, under Section 61G of the Town and Country Planning Act 1990 and Regulation 5 (1), Part 2 SI. 2012 No. 637, to make application for the designation of Godalming as a neighbourhood area.

The purpose of this application is to enable Godalming Town Council to undertake neighbourhood planning and, in particular, to prepare a neighbourhood plan.

The area for the purposes of neighbourhood planning is to be the area covered by the Godalming Civil Parish to its entire extent and comprises the local authority wards: Godalming Binscombe, Godalming Central & Ockford, Godalming Charterhouse, Godalming Farncombe & Catteshall and Godalming Holloway.

I attach a map showing the area for which the application is made.

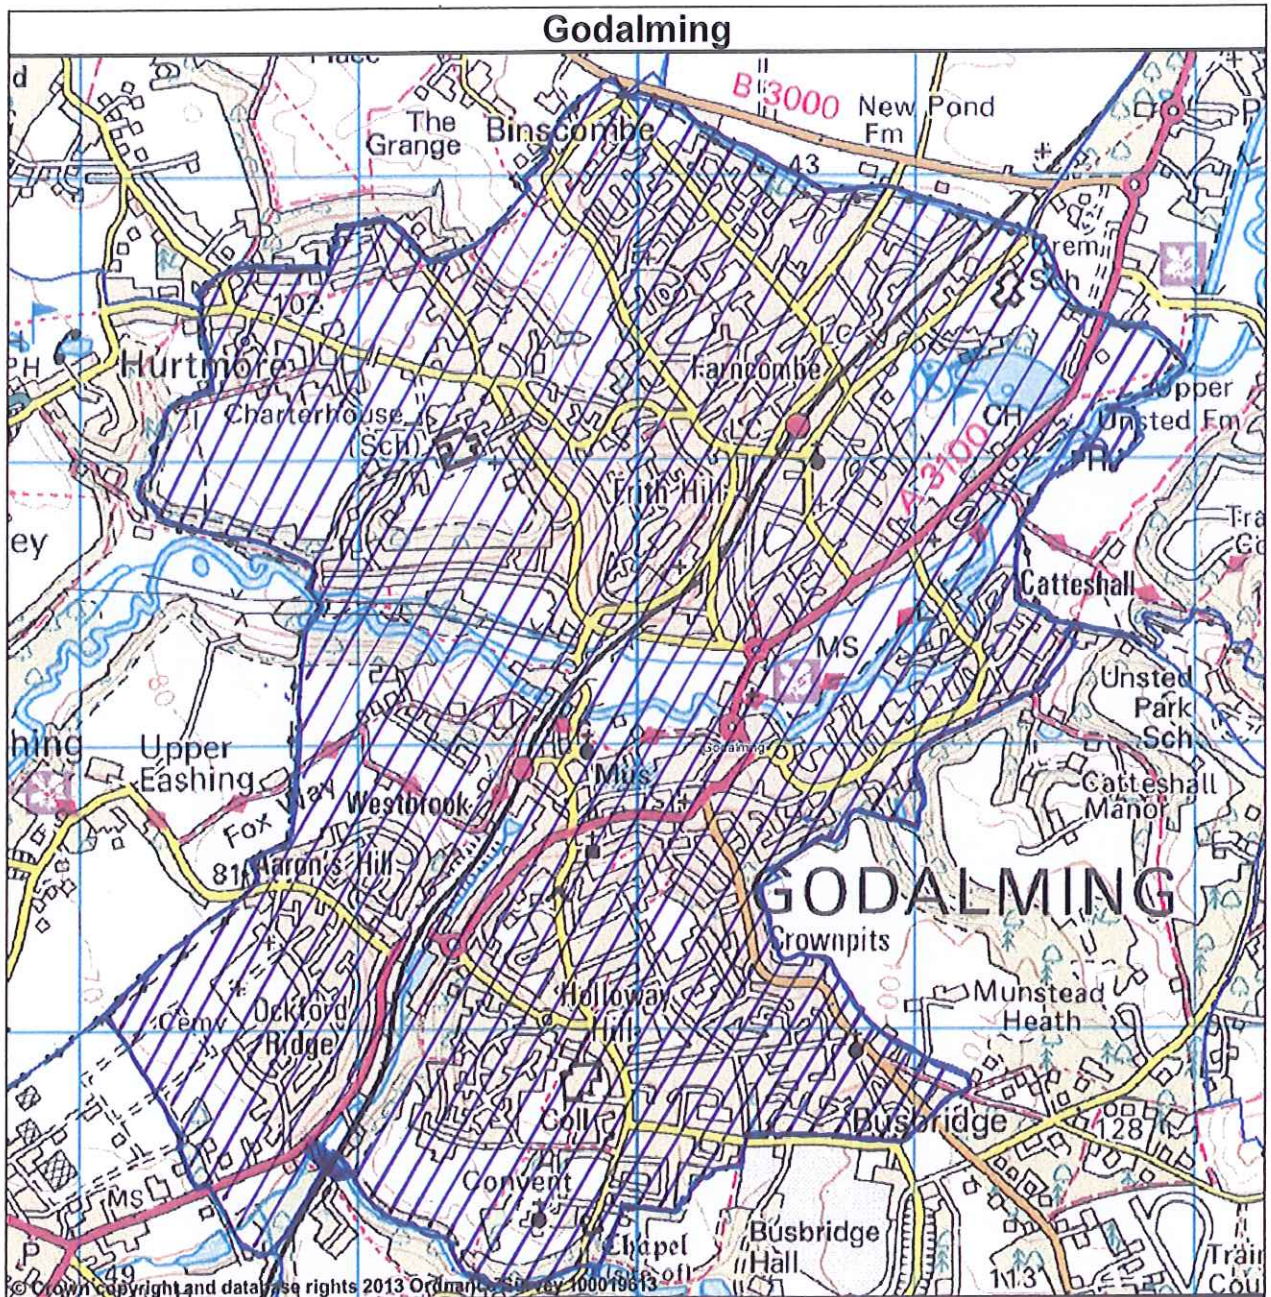

Godalming Town Council believes that the whole of the Godalming Civil Parish is the area most appropriate to be designated as a neighbourhood area for planning purposes, as it is a long established, well recognised and clearly defined area and is consistent with the concept of a neighbourhood area as intended by the Localism Act 2011. Further, the Town Council is a 'relevant body' for the purposes of Section 61G of the 1990 Act and is, therefore, qualified to undertake neighbourhood planning. It is a democratically elected body incorporated under statute and representing the whole community within Godalming.

Yours sincerely

The purpose of the application is to enable Cranleigh Parish Council to undertake neighbourhood planning, and in particular to prepare a Neighbourhood Plan.

### Statement of suitability of defined area

The Parish Council consider that the entirety of Cranleigh Parish is the area most appropriate to be designated as a neighbourhood area for planning purposes, as it is a clearly defined area.
