Dear Sir

I write to object to the plans to extend music events from 3 to 5 nights a week. In 2005 I attended a meeting of the Licensing Committee as an objector because of the noise from amplified music at that meeting it was agreed to fit a noise limiter in the function room which was done. We had about five years of peace and quiet then the noise limiter was removed and we were told the function room had been soundproofed. Now the noise levels at times are as bad as they were in before 2005 the last time I ~~com~~ complained to out of hours was the 10.11.11.

Yours sincerely
