

Memorandum

Licensing Act 2003

DATE: 18TH APRIL 2013

TO: Kate Halsall Licensing Authority

FROM: Michael Bateman Environmental Health Officer

TELEPHONE NUMBER: 01483 523393

Location: Winkworth Arboretum, Hascombe Road, Godalming, Surrey, GU8 4AD.

This department wishes to make a representation with regards to the above application. The reasons are:

There is insufficient information provided within the application with regard to preventing public nuisance from the proposed activities. The application provides for entertainment that has the potential to cause disturbance to local residents from noise and light. Suitable controls need to be in place to protect local residents from excessive noise and light from such licensable activities.

I intend to liaise with the applicant so that suitable controls may be agreed, however at present, I am concerned that granting of the licence may lead to public nuisance being caused, and therefore wish to make a representation to this effect.

Please do not hesitate to contact me if you require further information or would like to discuss the above comments.
