Dear Sir/Madam,

Licensing Act 2003 – Application for Premises Licence

Premises: Tesco Stores Ltd, Portsmouth Road, Milford

We have been in negotiations with the applicants and understand that they have now submitted an amendment to the application to include the following conditions:

1. The licence holder shall maintain a comprehensive digital colour CCTV system at the premises and the car park, including all public entry and exit points and which enables frontal identification of every person entering in any light condition. Cameras will be positioned so as to monitor the main display of alcohol and other areas of the store. All cameras shall continually record whilst the premises are open to the public and video recordings shall be available for a minimum of 21 days with time and date stamping. Recordings shall be made available to an authorised officer or police officer together with facilities for viewing. There will be a capability to download to CD/DVD
2. Staff engaged in the sale of alcohol shall be trained in the law relating to the sale/supply of alcohol and written records will be kept for inspection. This will include the law relating to both the sale and the consumption of alcohol to persons under 18 and the refusal of sale of alcohol to persons who are drunk. There will be an on-going training regime with refresher/reinforcement training at intervals of no more than six months.
3. The premises will operate a Think 25 policy and will only accept passport, photo driving licence or ID cards bearing the PASS hologram as forms of identification
4. No alcohol will be displayed within 4 meters of the entrance or exit doors
5. Prominent, clear and legible notices shall be displayed at all exits requesting customers to respect the needs of local residents and to leave the premises and area quietly

This now allays our concerns and therefore Surrey Police have no objections to the grant of a premises licence under Section 17 of the Licensing Act 2003.

Yours faithfully,

Peter Hathaway
Waverley Licensing Officer
