P Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

We are a national retailer that sells alcohol as part of a broad offering of goods and services. We have held off-licences in our stores for many years and are an approved British Institute of Inn-keeping examination centre. We have written training policies and formal training programmes are in place, which ensure our people are equipped to meet all licensing objectives. All training and revision/refresher materials are reviewed regularly. We have introduced our 'Think 25' policy to all of our stores in June 2009, this policy is brought to customer's attention through point of sale material at the checkout and where alcohol is displayed for sale. We take legal compliance very seriously and in addition to local training we employ a central alcohol licensing compliance manager and have a compliance committee.

b) The prevention of crime and disorder

The premises will have digital CCTV system that covers many areas of the shop floor, including the proposed area which will be used for beer and wine, should we be successful with our application. Images will be retained for a minimum of 21 days and made available on enforcement request. Ordinarily, a member of the Management team will be on the premises all the time the store is open. A person will have responsibility for the premises whilst the premises are open.

c) Public safety

A person will have responsibility for the premises whilst the premises are open. Management will be trained to support the running of the premises including looking after our customers and staff. The store will adhere to all rules and regulations relating to public safety.

d) The prevention of public nuisance

We intend to be an active member of the community.
We welcome the opportunity to liaise with Police and enforcement authorities should the need arise.

e) The protection of children from harm

All staff will be trained and regularly refreshed in the corporate 'Think 25' Policy. Staff will be trained to look at the customer and 'Think 25' when selling alcohol.
A till prompt will appear on the initial sale of alcohol that will remind the seller of their responsibilities including not to sell alcohol to anyone under the age of 18.
The store will display signage around the premises informing both staff and customers of our 'Think 25' policy on alcohol.

Subject: Tesco Milford Licencing Application

Dear Paul

Very nice to speak with you just now, thanks for your help & guidance...

As discussed, I wanted to raise my Opposition to the Requested Licensing Hours of 6AM to 11PM Monday to Sunday...

I think this is very inappropriate for a Country Village Convenience Store and would think that 7AM to 10PM is much more appropriate...

I appreciate that you can only control the Licensing Hours, but have copied JohnS to see if this can be applied to the Store Opening Hours too...

I hope this all makes sense, if you need me to do anything else on this matter, please do not hesitate to ask...

Thanks Again

HEARINGS

- 9.19 Regulations governing hearings may be viewed on the DCMS website. If the licensing authority decides that representations are relevant, it must hold a hearing to consider them. The need for a hearing can only be dispensed with by the agreement of the licensing authority, the applicant and all of the parties who made relevant representations. In cases where only 'positive' representations are received, without qualifications, the licensing authority should consider whether a hearing is necessary. To this end it may wish to notify the interested parties concerned and give them the opportunity to withdraw their representations. This would need to be done in sufficient time before the hearing to ensure that parties were not put to unnecessary inconvenience.
- 9.20 Responsible authorities should try to conclude any discussions with the applicant in good time before the hearing. If the application is amended at the last moment, the licensing committee should consider giving interested parties time to address the revised application before the hearing commences.
- 9.21 The Regulations require that representations must be withdrawn 24 hours before the first day of any hearing. If they are withdrawn after this time, the hearing must proceed. However, where discussions between an applicant and those making representations are taking place and it is likely that all parties are on the point of reaching agreement, the licensing authority may wish to use the power given within the hearings regulations to extend time limits, if it considers this to be in the public interest.
- 9.22 Applicants should be encouraged to contact responsible authorities before formulating their applications so that the mediation process may begin before the statutory time limits come into effect after submission of an application. The hearing process must meet the requirements of Regulations made by the Secretary of State. Where matters arise which are not covered by the Regulations, licensing authorities may make arrangements as they see fit as long as they are lawful.
- 9.23 There is no requirement in the Act for responsible authorities that have made representations to attend, but it is generally good practice and assists committees to reach more informed decisions. Where several responsible authorities within a local authority have made representations on an application, a single local authority officer may represent them at the hearing if the responsible authorities and the licensing authority agree. However, an officer of the licensing authority may not perform this role which would compromise the licensing authority's independence.
- 9.24 As a matter of practice, licensing authorities should seek to focus the hearing on the steps needed to promote the particular licensing objective which has given rise to the specific representation and avoid straying into undisputed areas. A responsible authority or interested party may choose to rely on their written representation. They may not add further representations to those disclosed to the applicant prior to the hearing, but they may expand on their existing representation.

- 9.25 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:
- the steps that are necessary to promote the licensing objectives;
 - the representations (including supporting information) presented by all the parties;
 - this Guidance;
 - its own statement of licensing policy.
- 9.26 The licensing authority should give its decision at once, unless the Act itself states otherwise and provide reasons to support it. This will be important if there is an appeal by any of the parties. Notification of a decision must be accompanied by information on the right of the party to appeal. After considering all the relevant issues, the licensing authority may grant the application subject to such conditions that are consistent with the operating schedule. Any conditions imposed must be necessary for the promotion of the licensing objectives; there is no power for the licensing authority to attach a condition which is merely aspirational. For example, conditions may not be attached which relate solely to the health of customers rather than their direct physical safety.
- 9.27 Alternatively, the licensing authority may refuse the application on the grounds that this is necessary for the promotion of the licensing objectives. It may also refuse to specify a designated premises supervisor and/or only allow certain requested licensable activities. In the interests of transparency, the licensing authority should publish hearings procedures in full on its website to ensure that interested parties and others have the most current information.
- 9.28 In the context of variations, which may involve structural alteration to or change of use of the building, the decision of the licensing authority will not exempt an applicant from the need to apply for building control or planning consent where appropriate.
