4. **APPLICATION FOR A HACKNEY CARRIAGE VEHICLE LICENCE
(REQUESTING EXEMPTION FROM VEHICLE AGE POLICY)** (Pages 5 - 16)

This report enables the Sub-Committee to consider a request to consider granting a licence for a vehicle as a Hackney Carriage vehicle which is more than four years old, with the current Council policy requiring a vehicle being first licensed to be under four years old. There are no environmental or resource implications arising as a result of this report.

Recommendation

It is recommended that the Sub-Committee gives consideration to the application for a hackney carriage vehicle licence which requests exemption from the age policy for the particular vehicle sought to be licensed as submitted by Mr Siekaj.

If the Committee were minded to licence the vehicle a condition regarding the maximum permitted number of passengers when conveying a passenger in a wheelchair should be considered. When previously licensed the following condition was added:

When conveying a passenger in a wheelchair, this vehicle is licensed to carry up to a maximum of 4 (four) passengers, including the wheelchair passenger, the front passenger seat and the two off side rear passenger seats (one rear and one front facing). At all other times the vehicle is licensed to carry a maximum of 7 (seven) passengers.
