Good scrutiny:

- is an independent, Member-led function working towards the delivery of the Council's priorities and plays an integral part in shaping and improving the delivery of services in the Borough;
 - provides a critical friend challenge to the Executive to help support, prompt reflection and influence how public services are delivered;
 - is led by 'independent minded governors' who take ownership of the scrutiny process; and
 - amplifies the voices and concerns of the public and acts as a key mechanism connecting the public to the democratic process.
