Waverley Corporate Strategy 2020 - 2025

Vision

Our vision is that Waverley will be environmentally, economically and financially sustainable with healthy, inclusive communities and housing available for all who need it.

Our strategic priorities:

- ✓ Local, open, participative government
- ✓ Supporting a strong, resilient local economy
- ✓ Taking action on Climate Emergency and protecting the environment
- ✓ Good quality housing for all income levels and age groups
- ✓ Effective strategic planning and development management to meet the needs of our communities
- ✓ Improving the health and wellbeing of our residents and communities
- ✓ Financial sustainability

Good scrutiny:

- is an independent, Member-led function working towards the delivery of the Council's priorities and plays an integral part in shaping and improving the delivery of services in the Borough;
- provides a critical friend challenge to the Executive to help support, prompt reflection and influence how public services are delivered;
- is led by 'independent minded governors' who take ownership of the scrutiny process; and,
- amplifies the voices and concerns of the public and acts as a key mechanism connecting the public to the democratic process.
