## RECOMMENDATION B

That, in the event that a Section 106 Agreement is not completed within 6 months of the date of the resolution to grant planning permission, then permission be REFUSED.

**Item A1****WA/2016/1234****BAKER OATES STABLES, GARDENERS HILL ROAD, WRECCLESHAM**Amendment to conditions

A materials schedule was received on 08 November 2016 in order to provide clarity to condition 1, which is now recommended to be amended to read:

1. Condition

The materials to be used in the construction of the external surfaces of the development hereby permitted shall be in accordance with Materials Schedule Dated 8th November 2016, unless otherwise agreed in writing by the Local Planning Authority.

Reason

In the interest of the character and amenity of the area in accordance with Policies C2, D1 and D4 of the Waverley Borough Local Plan 2002.

It is recommended that condition 2 and condition 3 are amended to remove the requirement for all parking and highway links to be delivered prior to the occupation of the first unit. It is recommended that the conditions are amended to read:

2. Condition

Each unit hereby approved shall not be first occupied until space has been laid out for parking for that unit in accordance with a plan to be submitted to and approved by the Local Planning Authority, which ensures that vehicles can turn so that they may enter and leave the site in forward gear. Thereafter the parking / turning areas shall be retained and maintained for their designated purpose.

Reason

In order that the development should not prejudice highway safety nor cause inconvenience to other highway users, in accordance with Policies M2 and M4 of the Waverley Borough Local Plan 2002 and the NPPF 2012.

3. Condition

The pedestrian and cycle links within the site shall be laid out in accordance with a phasing plan to be submitted to and approved by the Local Planning Authority and thereafter they shall be retained and maintained for their designated purpose.

Reason

In order that the development should not prejudice highway safety nor cause inconvenience to other highway users, in accordance with Policies M2 and M4 of the Waverley Borough Local Plan 2002 and the NPPF 2012.

Given that a Tree Protection Plan has been submitted to support the application, condition 4 is amended to be read as follows:

4. Condition

No development shall commence, including any groundwork preparation, until an Arboricultural Method Statement has been submitted to and approved in writing by the Local Planning Authority. This shall include details of the any construction activity that may take place within the Root Protection Area of trees shown to scale on the Tree Protection Plan including installation of service routings and addressing the heads of terms in the submitted Ian Keen tree report AP/8196-Rev A/WDC. All works shall be carried out in strict accordance with the approved details.

Reason

To adequately protect all trees worthy or retention from development harm and to provide for their amenity contribution thereafter in accordance with Policies D6 and D7 of the Waverley Borough Local Plan 2002 and paragraph 17 of the National Planning Policy Framework. This is a pre commencement condition as it relates to the construction process.

The applicant has suggested that as detailed landscape plans have been submitted in support of the application, that condition 10 is amended to be read as follows:

10. Condition

The landscaping scheme shall be carried out strictly in accordance with approved Landscaping Scheme contained on drawing numbers CALA20623 11C (Sheets 1-4). The agreed details and shall be carried out within the first planting season after commencement of the development or as otherwise agreed in writing with the Local Planning Authority. The landscaping shall be maintained to the satisfaction of the Local Planning Authority for a period of 5 years after planting, such maintenance to include the replacement of any trees and shrubs that die or have otherwise become, in the opinion of the Local Planning Authority, seriously damaged or defective. Such replacements to be of same species and size as those originally planted.

Reason

In the interest of the character and amenity of the area in accordance with Policies C2, D1 and D4 of the Waverley Borough Local Plan 2002.

However, drawing numbers CALA20623 11C (Sheets 1-4) do not give details of the proposed planting to the boundaries of the site. As such, the following additional condition is recommended:

16 Condition

No development shall take place until a landscape scheme detailing the proposed site boundary planting has been submitted to and approved by the Local Planning Authority in writing. The landscaping scheme shall be carried out strictly in accordance with the agreed details and shall be carried out within the first planting season after commencement of the development or as

otherwise agreed in writing with the Local Planning Authority. The landscaping shall be maintained to the satisfaction of the Local Planning Authority for a period of 5 years after planting, such maintenance to include the replacement of any trees and shrubs that die or have otherwise become, in the opinion of the Local Planning Authority, seriously damaged or defective. Such replacements to be of same species and size as those originally planted.

Reason

In the interest of the character and amenity of the area in accordance with Policies C2, D1 and D4 of the Waverley Borough Local Plan 2002.

An amended floor plan has been received to amend Plot 6 from a three bedroom affordable house to a four bedroom affordable house, in order for the scheme to accord with the housing mix secured under WA/2014/2080.

Condition 15 should therefore be amended to include the amended floor plan:
