Wednesday 5<sup>th</sup> July 2017

Dear Sir/Madam,

Surrey Police as a Responsible Authority wish to make formal representation against the application for a Premises Licence for Newfangled, 15, Junction Place, Haslemere, Surrey, GU27 1LE.

The grounds for objection concern the prevention of crime and disorder. The application has not evidenced fully how it will prevent crime and disorder, further consultation will need to be taken between the applicant and Police. Below are some of the conditions we would like to see added to the licence.

- CCTV to be in operation whilst any licensable activity takes place and shall record for over 31 days. CCTV shall be able to be downloaded onto a removal storage system (either DVD or USB Stick).
- CCTV shall be made available within 24 hours of a request by Police or responsible authority.
- There should be at least one member of staff on site who is able to operate the CCTV system and download if required whenever licensable activity takes place.
- CCTV should cover all areas of the Bar area and entrance enabling clear facial images of those entering the premises.
- Challenge 25 Age Verification Policy will be adopted at all times.
- No Glass containers shall be taken outside of the premises at any time.
- No drugs policy shall be in place.
- A Refusal Log shall be kept at the premises and maintained, logging any refusal of Alcohol. This shall be made available for inspection by Police and any other Responsible Authority.
- An Incident Log shall be kept at the premises and maintained, logging any incidents that occur at the premises as well as any that have required police to be call. This shall be made available for inspection by Police or any other Responsible Authority.

Yours Sincerely

Inspector Mark Bridge
