The Council operates an 'Executive and Leader' model. Therefore the majority of the Council's functions (decision-making) lie with the Executive. However, a range of the Council's functions are 'non-Executive' meaning that those matters are determined either by full Council or by another Committee of the Council in accordance with the Council's Constitution. Where a Function is referred to below as 'Non-Executive', that function cannot be determined by the Executive and would, in the absence of delegation to an officer(s), be decided by full Council or the relevant Committee.

This Scheme of Delegation to Officers must therefore be read in conjunction with the Council's Constitution.
