Part 3

Responsibility for functions
Part 3 Responsibility for functions

1.0 Introduction

Responsibilities for undertaking the functions of the Council as a local authority are either reserved to the full Council (that is, the whole group of 57 members of the authority as a decision making body), or allocated to the Executive or to other Committees of the Council.

1.1 Determination of the Council’s policy framework and budget, and other constitutional and quasi-legislative functions will remain the responsibility of the full Council.

1.2 Where functions exercised involve determining an application from a person for a licence, an approval, a consent, etc., or enforcement actions associated with such functions, they will not be the responsibility of the Executive but will be carried out by Regulatory Committees. Some functions are allocated to the statutory Committees of the Council, that is, those that are required by law to fulfil particular functions, for example, the Licensing and Regulatory Committee and its Sub-Committees.

1.3 All other functions not specified as the responsibility of the Council or of particular Committees are the responsibility of the Executive.

1.4 Delegation of responsibilities to the Chief Executive, Strategic Directors, and other officers of the Council will remain as before except that where there is a need for officer consultation with members (for reasons of urgency or any other reason) on any matters the responsibility of the Area Planning or Licensing Committees, consultation will be with the Chairman and Vice-Chairman of the listed Committee and not with the Leader of the Council. In the event that urgent consultation is required and the relevant Committee Chairman or Vice-Chairman is unavailable or barred from consultation by a personal interest, consultation will be with the Mayor or Deputy Mayor.

2.0 Responsibility for local choice functions
