**Subject:** FW: Licensing Act 2003 - Variation

Good Morning Kimberly,

I would like to object to the Variation Application from the Slug and Lettuce.

It may have already been called to Committee but I am not aware.

This establishment is already licensed until 01.00 on Fridays and Saturdays, and I believe extending that until 02.00 could increase the instance of anti-social behaviour within the centre of Farnham.

Can you please advise if it has already been called to Committee or not?

Many thanks

Clr Peter Clark  
Farnham: Wrecclesham and Rowledge Ward  
Waverley Borough Council

**Subject:** Slug and lettuce

Dear Paul

As the Moor Park ward councillor I would like to object to the variation of licensing hours of the Slug and Lettuce East Street Farnham

The extension of the licensing hours will increase antisocial behaviour in an area where a large increase of residential development is taking place ie The Brightwells and Woolmead. Farnham already has a problem with public nuisance occurring within the town this will only exacerbate it , as there is not enough policing at the present moment

I am concerned with the increase of hours it appears we may be having a nightclub rather than a pub

Kind regards  
Michaela Martin

I object to the application for the SLUG AND LETTUCE in Farnham to have a drinking licence until 2.am in the morning on Friday and Saturday.  
It is pretty well understood that people drinking that late are usually past the mark and can be very disruptive in the town. Anti social behaviour is growing in our town and alcohol consumption has a lot to do with it.  
We don't need to encourage people to drink into the small hours of the morning given the crisis we have with alcoholism anyway so this is entirely unacceptable.

Dear Paul

Hope you are well. I popped in to see you Tuesday re other business in Farnham. Sorry you were caught up.

Just to let you know I object to the extension of the license of the Slug and Lettuce until 2.00am because of anti social behaviour in Farnham, we don't have a Police Station anymore. We can't have patrons of this pub stumbling around our town and causing mayhem.

Also it sets a precedence to other establishments in Farnham that they can open until 2.00am.

Happy to discuss on the phone. I know you are very busy.

Warmest wishes.

Michaela

[\*\* This email originates from an external source \*\*]

Dear Sirs/Madam

Ref Slug and Lettuce Pub

I write to register my strong objection to the application for later closing time to 2 am on Fridays and Saturdays on the grounds of nuisance to neighbours at unacceptably late hours and likely problem for policing.

Regards,

Cllr George Hesse  
Farnham Town Council and  
Waverley Borough Council  
Farnham Castle Ward

Dear Mr Hughes,

It is understood that the Farnham Town Council objection to the Slug and Lettuce License application has not been received. As lead Member of the Planning and Licensing Consultative Group this raises significant concern. With the submission deadline of 20 December 2019, with apologies for any breach of protocol, please find a copy of the objection below. I also look forward to identifying how this error has occurred.

Yours Sincerely,

Clr Brian Edmonds (Wrecclesham and Rowledge) (Lead Member)

### **Licensing Applications**

#### **Variation**

The Slug and Lettuce, Stonegate Pub Co Ltd, 9-11 East Street, Farnham, GU9 7RX

**Farnham Town Council objects to the variation of the premise licence under objectives b), c), d). Extending the licensing hours will increase anti-social behaviour in area which is having a large amount of residential accommodation in the Brightwells and Woolmead developments to the north and east of the premise. The stated hours must be subject to a late-night levy to cover the cost of additional policing to mitigate crime and disorder and public nuisance and assist with public safety.**

## CONCERN OVER PROPOSED VARIATION TO EXTEND HOURS

I write to express my considerable concern over the likely impact if the application by Stonegate Pub Company to vary its licence to extend the hours that it is able to sell alcohol at its premises at Slug and Lettuce, 9-11 East Street, Farnham to 0100 hours on Thursdays/ Fridays and 0200 on Fridays/Saturdays and Saturdays/Sundays with a further 30 minutes allowed before the doors are finally closed (0130 Fridays and 0230 Saturdays and Sundays) is granted.

Whilst this particular premise is located in Farnham Moor Park ward which is not the ward that I represent it is very close to the ward that I do represent in Farnham Castle and if granted it would inevitably affect a number of residents and businesses in Farnham Castle ward.

My specific concerns are as follows : -

- As far as I am aware no other premise in Farnham has a licence to sell alcohol as late as proposed by this variation. If granted it seems inevitable that other premises selling alcohol in Farnham will then apply for similar a variation to extend hours at their locations in order to maintain competitive advantage which would be unfair on the significant number of residents who live in Farnham Town Centre from whom there is already a number of complaints regarding noisy behaviour particularly at weekends through existing licences which allow extended hours up to 0100 on Saturdays and Sundays to sell alcohol;
- It should be remembered that the Slug and Lettuce is located close to the current redevelopment of Brightwells and Woolmead both of which have a high number of proposed residential dwellings. In a very short period of

time this will, therefore, become a relatively high density residential area;  
and

- Any extension of hours during which alcohol may be sold is likely to increase the level of anti social behaviour. Over the past 12 months it appears that the level of anti-social behaviour has been increasing resulting in the Police having to resort on occasions to dispersal orders. Any extension of hours during which alcohol could be sold will inevitably result in an increased likelihood of anti social behaviour occurring.

I do not, therefore, believe that this application to vary by extension of hours meets the licensing objectives by which this application should be reviewed. I would hope that the above comments will be given very careful consideration when this variation to a licence for the Slug & Lettuce is being determined.

If there is any further information that I can provide please do not hesitate to let me know.

David Beaman

Waverley Borough and Farnham Town Councillor - Farnham Castle Ward

---

Dear Sirs,

I write to you to express y considerable concerns regarding the Application by the Stonegate Company to vary its Licence to extend the current hours to 0100 hrs. on Thursdays and Fridays, and 0200 hrs. on Saturdays and Sundays. –this to include a further 30 minutes “drinking up” time on each day. This is far too late at night for this residential area.

This establishment is in an established residential part of Farnham which is soon to have many more dwellings incorporated in it.

There is already a well documented problem with late night drinkers causing problems in Farnham, and this Licence Extension will inevitably exacerbate that even more.

No doubt other Licensed Premises will follow this lead if it is Approved, which will increase the present anti social behaviour even more.

We rarely have a visible Police presence in Farnham due tri the cuts, so there will be patchy control over this matter at best.

I trust that careful consideration will be given to the above mentioned facts before any decision is made.

Cllr. Roger Blishen. (FTC & WBC).
