

INTRODUCTION TO WAVERLEY BOROUGH COUNCIL

OVERVIEW AND SCRUTINY WORK PROGRAMME

The programme is designed to assist the Council in achieving its corporate priorities by ensuring topics add value to the Council's objectives, are strategic in outlook, are timed to optimise scrutiny input and reflect the concerns of Waverley residents and council members. The programme is indicative and is open to being amended with the agreement of the Chair with whom the item is concerned. The work programme consists of three sections:-

- Section A – Lists the Scrutiny tracker of recommendations for the municipal year.
- Section B – Lists items for Overview and Scrutiny consideration. It is not expected that the committee cover all items listed on the work programme and some items will be carried over into the following municipal year. In-depth scrutiny review topics for consideration by the respective Committee will also be listed in this section.
- Section C – Lists live in-depth scrutiny task and finish groups, including objectives, key issues and progress.
