

EASTER AREA PLANNING COMMITTEE 12/01/2022
UPDATE SHEET

Correspondence received and matters arising following preparation of the agenda

Item A2

WA/2021/02464

40 South Hill, Godalming

Representations

Three further representations have been received objecting to the proposal. The points made largely echo those quoted in the report, with the exception of the following:

- The motives of the developer
- Loss of value of existing properties
- Disruption to neighbours during building operations

None of these points are material planning considerations.

The recommendation remains as set out on page 28 of the Agenda.
