**UPDATE SHEET**

Correspondence received and matters arising following preparation of the agenda

**Item A1**

**TPO 13/21**

**OAK TREE AT HANKLEY GOLF CLUB**

Amendment to detail within the report

Please note that within the committee report it states, 'It is therefore considered expedient in the interest of public amenity to make the tree subject of a TPO **prior to the sale of the land.**'

Officer comment: The Tree Team identify this is an error and where it should actually read "It is therefore considered expedient in the interest of public amenity to make the tree subject of a TPO".
