## **COUNCIL**

**12 MAY 2021**

---

**Title:**

**Review of Political Proportionality of the Council, allocation of committee seats,  
and appointments to committees for 2022/23**

---

**Report of the Monitoring Officer: Robin Taylor, Head of Policy & Governance**

**Access: Public**

---

**Reason for urgency:** The Mayor has agreed to the submission of this late item due to the need to review the representation of political groups on the Council's committees and agree the appointment of the groups' nominees to those committees before the start of the 2022/23 municipal year.

### **1. Purpose and summary**

- 1.1 The Local Government and Housing Act 1989 requires local authorities, where Members are divided into political groups, to review annually the representation of the political groups on their principal committees to ensure that the seats are allocated in the same proportion as that in which the council as a whole is divided.
- 1.2 This report recommends that the Council establish committees, allocate the seats on those committees to political groups represented on the Council in accordance with the statutory proportionality rules, and agree to the appointment of the groups' nominees.

### **2. Recommendation**

It is recommended that Council:

- i. Note the political balance of the Council, as set out in paragraph 4.4.
- ii. Approve the constitution of committees, the allocation of seats, the appointment of members to those seats in accordance with Group's nominations, and the nomination of chairman and vice-chairman positions, as set out in Annexes 1 and 2.
- iii. Approve the allocation of seats and appointments to the Surrey County Council Local Committee.

### **3. Reason for the recommendation**

It is a statutory requirement to report to Annual Council on the political composition of the council, the allocation of committee seats to political groups in

accordance with political proportionality, and to confirm the appointment of members to committee seats.

#### 4. **Background**

- 4.1 Political Groups on the Council are formed in accordance with the Local Government (Committee and Political Groups) Regulations 1990 when two or more councillors notify the Head of Policy & Governance, the Proper Officer, of their wish to be treated as a group.
- 4.2. The Conservatives, Farnham Residents, Liberal Democrats, Green Party and Labour have registered as Political Groups under the provisions of the Local Government and Housing Act 1989. There is one un-grouped Independent Member of the Council and one vacancy in the Hindhead ward. Following the by-election in that ward, a further review will be required as soon as is practicable.
- 4.3. There is a total of 90 committee seats available on the Council's Principal Committees: two Overview & Scrutiny Committees; Audit; Standards & General Purposes; Licensing & Regulatory; Eastern and Western Planning Committees; Joint Appointments Committee; and Joint Governance Committee.
- 4.4. The political breakdown of the Council is shown below, together with the rounded total number of committee seats per group:

	<b>Cons.</b>	<b>Farnham Residents</b>	<b>Lib. Dem.</b>	<b>Green</b>	<b>Labour</b>	<b>Ind.</b>	<b>Vacancy</b>	<b>Total</b>
<b>No. of seats on the Council</b>	20	15	15	2	2	2	1	57
<b>Proportion</b>	35.08%	26.32%	26.32%	3.51%	3.51%	3.51%	1.75%	100%
<b>No. of committee seats</b>	32 (21.58)	24 (23.68)	24 (23.68)	3 (3.16)	3 (3.16)	3 (3.16)	1 (1.58)	90*

\*see paragraph 4.6

- 4.5 The following principles apply to the allocation of seats (LG&HA1989, s15 (5)):
- (a) *Preventing domination by a single group: That not all the seats on the body to which appointments are being made are allocated to the same political group;*
  - (b) *Ensuring a majority group enjoys a majority on all committees: That the majority of seats on each committee are allocated to a particular group if the number of persons belonging to that group is a majority of the authority's membership;*
  - (c) *Aggregating all committee places and allocating fair shares: That, subject to (a) and (b), when allocating seats to a political group, the total number of their seats across all the ordinary committees of the Council, must reflect their proportion of the authority's membership; and*

- (d) *Ensuring as far as practicable fairness on each committee: That, subject to (a) to (c), the number of seats on each committee is as far as possible in proportion to the group's membership of the authority.*

4.6 Seats are allocated to each committee as shown in Annexe 1, and following consultation with the Leaders of each of the political groups represented on the Council. Their agreement has been obtained to the calculations relating to the allocation of seats on committees in order to accommodate various rounding errors.

### **Appointments to Committee Places**

4.7 The Local Government & Housing Act 1989 requires that once the Council has determined the allocation of committee places between the political groups, the Council must then appoint the nominees of the political groups to the committees. The nominations of the Group Leaders are shown on Annexe 2.

### **Area Planning Committees**

4.8 The allocation of planning committee seats to the Groups has been calculated firstly as a proportion of the total number of planning committee seats (= 30 seats). The allocation of seats on the Eastern and Western Planning Committees is calculated allocated according to the political proportionality of the council seats within the relevant geographical area.

### **Surrey County Council Local Committee**

4.9 Waverley Borough Council has nine seats on the Surrey County Council Waverley Local Committee, allocated on a political proportional basis as shown in Annexe 1.
