To whom it may concern,

My name is [REDACTED] and I live [REDACTED] Carlos Deli with [REDACTED]. I have noticed the signage in the window of the establishment stating that Carlo Papagni is requesting a variation to the premise license. Extending the sale of alcohol Mon-Sun 10am until 11pm. I would like to fully OBJECT against this for the following reasons:

- He more recently extended his hours with his closing time being 10pm which started in July. As [REDACTED] will know, he has repeatedly failed to stick to them with the restaurant open as late as 10:45pm, thus breaking his licensing agreement. Because of this I have no trust that he will stick to his new hours. He has been extremely uninterested in following the rules set out by Waverley and I worry that this will encourage even later finishes and alcohol being served well past 11pm.
- The noise level can be very high and being [REDACTED] amplifies that noise into our home. Their kitchen is situated [REDACTED] and their window and door face out [REDACTED] so the noise, especially in the summer when windows are open, is even louder. As a working couple the disturbance that late is unacceptable. The moving of furniture after the last customer has left can rumble through our old home, the floors and walls are thin!
- On occasion the ruckus brought on by locals leaving can disturb the locals in the direct vicinity of the Deli.
- The lights in their kitchen shine out into our [REDACTED] and once again shine into our [REDACTED] disturbing our sleep, even with blinds.

I do hope these reasons are taken into consideration and thank you for taking the time to read them.

Kind regards,
[REDACTED]
