 **Cranleigh Parish Council**
 Village Way
 Cranleigh
 Surrey, GU6 8AF
 Parish Clerk
 Beverley Bell FSLCC MIET IEng
 Tel no. 01483 272311

Good Afternoon

Please see the amended response below:

- The Parish Council would like a condition applied to the premises licence that restricts off sales of alcohol only to events at Snoxhall Fields that have been given prior approval by the Parish Council. This is to meet the licensing objectives for the prevention of crime and disorder and for public safety.
- The Parish Council does not support gambling on the premises and does not support the inclusion of gaming machines under the premises licence. This is to meet the licensing objective for the protection of children from harm.
- The premises licence application permitted hours for the sale of alcohol do not match the permitted hours of use of the premises. The Parish Council would like to see the premises licence permitted hours match the licence agreement for the hire of the pavilion permitted hours.
 The hire of the pavilion permitted hours are:
 Friday 1800 – 0000
 Saturday 0900 – 0000
 Sunday 0900 – 1900
 Mid week fixtures dates and times to be approved by the Council.
 This is to meet the licensing objective for the prevention of public nuisance.

Kind Regards
Beverley Bell FSLCC
Parish Clerk

Subject: Alcohol License Objection

[** This email originates from an external source **]

To whom this may concern,

I am writing with regards to the proposed permanent alcohol license for Cranes Family Sports Bar at Snoxhall Pavillion, Snoxhall Fields, Cranleigh, GU6 8BL, ran by John Dennison.

I do not feel this is a suitable premises for a bar. The reasons for this is are;

It is in the grounds of a local children's play park, so there is a risk of these grounds being vandalised. It is also sharing a location with a local preschool which uses the premises during the week, so this runs the risk of children harming themselves should there be broken glass etc, and other hazardous objects. So I am objecting the license in order to protect children from harm.

I feel this will cause public nuisance as there is already issues with people hanging around the area smoking drugs, littering and vandalising, having a bar in this location will only attract more of the same attention.

I am contesting this license in order to prevent crime and disorder in an area where this is already increasing and for the safety of the public.

Kindest regards

Subject: Contest licensing of nursery as a bar in Cranleigh

[** This email originates from an external source **]

Dear Sirs,

I am writing in regards to contesting the licensing of the so called 'Family Sports Bar' that seems to have popped up in place of my child's nursery in Cranleigh Snoxhall grounds over the summer.

I wish to contest this on the grounds of protection of children from harm.

I can't believe that no-one had given any consideration to the fact that this space is used for pre-school age children during term time and it's right next to the largest playground in the village that's regularly used by young children and families!

Calling it a family sports bar and serving alcohol there is just simply outrageous! Who in their right mind thought that this would serve the young families in Cranleigh I can't fathom! The lady running that nursery does so much for the community in this village to plug the huge demand for childcare because the supply just seems so poor it's unbelievable and then she has to roll her sleeves up at the end of the summer holidays to convert a place for piss ups back into something useful for provision of proper childcare!

I look forward to receiving your response!

Regards,

[REDACTED]

Subject: Snoxhall pavilion

[** This email originates from an external source **]

Dear Sir/Madam

I am writing this email to object the licensing application at Snoxhall Pavillion in Cranleigh.

I strongly feel that allowing the license to sell alcohol on the premise will cause anti social behaviour and noise nuisance to residents living close by.

I believe it will encourage under age drinking in the areas surrounding the pavilion for those who aren't legally allowed to purchase alcohol from the bar but will want to be present for live football showings on television.

This will inevitably result in more litter around the snoxhall area, park and fields as well as from others drinking on route to the bar and on their way home in the evenings.

The venue is open to anyone and I believe drink driving will occur. There is a carpark right next to the pavilion, the pavilion is in an isolated area and there is only one road of access to it which I believe is how some people visiting will travel to and from the venue who aren't local. Drink driving is obviously a public risk as well as a crime.

Young drivers have also been seen to come to this carpark in the evenings, drive carelessly and play loud music and I think a drinking premise here will only encourage this more causing more anti social behaviour and nuisance.

The park play area and play equipment is at risk of damage being so close to the pavillion by anyone who has been drinking, using it irresponsibly and also urinating in these areas especially in the evenings when there won't be anyone present.

The chance of broken glass around the area is extremely high as well as in the building itself and in the outside garden area which is also used as a preschool Monday-Friday. These children who attend the preschool are particularly at risk from injury as not every single piece of broken glass can be guaranteed to be cleaned up after every evening at the bar.

Smoking and recreational drug use is likely in and around the premise if alcohol is served here. Cigarette ends and leftover substance is a hazard to the children who attend the pre-school as well as any child or dog visiting the pavillion and snoxhall play areas.

From my previous experience of working in a bar and managing a pub for 8 years I have witnessed during and the after math of many events including live football showings, parties, events and New Year celebrations where alcohol has been sold and consumed.

It's with this experience I am objecting the license application as I strongly feel similar situations will occur in and around this venue which is currently used by so many children.

Children in the pre-school, children visiting and using the snoxhall play park areas are at risk as well as neighbouring residents and the lovely play areas of snoxhall.

A bar selling alcohol here I strongly feel is not appropriate or safe at all.

■

I do hope the points I have made are considered carefully for this license application that has been made for the potential sports bar at Snoxhall Pavillion.

Yours Sincerely

A solid black rectangular box used to redact the sender's name.

Subject: Multi use of Snoxhall fields pavilion

[** This email originates from an external source **]

To whom it may concern,

I would like to contest the opening of a bar in Snoxhall fields on the same premises used as Little Hearts pre-school.

Interchanging the space between a nursery for pre-school children and a bar on a regular basis, brings additional risks for the children (e.g. broken glass not being cleared up properly), and is not in the best interests of the children, as it could compromise their safety and well-being.

Kind regards,
[REDACTED]
