

Suicide Prevention Engagement Feedback from Partner Agencies

All partners are asked to carry out engagement with their organisation. Please complete this form and send to nanu.chumber@surreycc.gov.uk by 24th November 2022

Part A: Context

- A1. Do you agree with the aims of the strategy? Zero suicides approach people in health services
- A2. What else should be included in the suicide prevention protocol? (See draft protocol)
- A3. Do you agree with the identified priority groups?
- A4. Do you agree with the key priorities in the strategy?

Part B: Strategy Actions Areas

- B1. How can we reduce suicides amongst key high risk occupation groups?
- B2. How can we reduce suicide amongst children and young people, specifically those with adverse childhood experiences and those experiencing self-harm?
- B3. How can we reduce suicide amongst people with a history of self-harm?
- B4. How can we reduce suicide amongst people who use substances or alcohol?
- B5. How can we reduce suicide in the Gypsy, Roma and Traveller community?
- B6. How can we reduce the number of suicides amongst people engaged with the criminal justice system?
- B7. How can we reduce suicides amongst people in the care of mental health services?
- B8. How can we reduce suicides in men?
- B9. How can we reduce suicides amongst those with long term health conditions?

Part C: Evaluation

- C1. How can we evaluate the impact of the projects in the strategy?
- C2. What is a good measure for suicide prevention?
- Examples: service presentations, Questionnaires, Community engagement
