Reference application by The Business Improvement Group Ltd for a premises licence at 10-12 Petworth Road Haslemere, I support the application

This is a new restaurant business in amongst multiple other restaurants. A restaurant relies upon revenue from alcohol. The restaurant is going to be low-key and upmarket in its offering- it's not going to attract just drinkers.

I thoroughly endorse them receiving a license.

Reference application by the Business Improvement Group Ltd for a premises licence at 10-12 Petworth Road, Haslemere, GU27 2HR. I support the application.

It would be great to have a place serving variety of foods, not only english, but polish, romanian and hungarian. I'm polish and would love to get my traditional food locally, as closes restaurant is in Reading. I hope it would attract English people to try some new cuisine too.

Best regards,
