**Amendments to the report**

An amendment has been made to the description since the publication of the agenda report. The description shall now read as follows:

Listed Building consent for alterations and extensions to the to St John's Seminary, including alterations and extensions to the laundry, to create 41 dwellings including alterations to the chapel to provide residents gym and spa facilities following demolition of existing outbuildings; erection of extensions to The Lodge and Lower Lodge.

The amendment ensures that the proposal is appropriately detailed by including proposed works to the laundry building.
