Pay Policy Statement Financial Year 2024 - 2025

1. Executive Summary

- 1.1 The Localism Act 2011 (Section 39) requires all public authorities to publish an Annual Pay Policy Statement. The Council is required to adopt the Annual Pay Policy Statement each year and the Council is not legally permitted to depart from the policies set out in that statement when it considers actual decisions in relation to individuals' remuneration, including redundancy and/or severance.
- 1.2 The Annual Pay Policy Statement for the 2024/25 financial year is attached at Appendix 1. It has been updated in line with the

requirements of the Localism Act 2011, resulting in minimal adjustments from last year.

2. Recommendation to Council

2.1 The Executive **RECOMMEND** to Council:

That the Pay Policy Statement for the 2024/25 financial year, attached at Appendix 1, be approved.

3. Reason(s) for Recommendation:

3.1 To comply with the Localism Act 2011 (Sections 38 and 39).

9. Key Risks

- 9.1 The Pay Policy Statement is a requirement of section 38 (1) of the Localism Act 2011 that sets a statutory duty on local authorities annually to publish a statement approved by Full Council by the end of the financial year and relating to the new financial year. Failure to comply could lead to a legal challenge to the Council and therefore it is important that the statement reflects the requirements of the Act and all the associated statutory guidance.

10. Financial Implications

- 10.1 The pay arrangements set out within the policy statement are reflected in the Council's Annual Budget.

11. Legal Implications

- 11.1 The policy meets the requirements of the Localism Act 2011 and all other relevant legislation.

12. Human Resource Implications

- 12.1 The pay arrangements set out within the policy statement are reflected in the Council's Annual Budget.

13. Equality and Diversity Implications

13.1 The Council's duty under section 149 of the Equality Act 2010 is to have due regard to the matters set out in relation to equalities when considering and making decisions. The Pay Policy Statement is designed to bring fairness and equality to the application of pay and remuneration within the Council. There are no direct equality impacts associated with agreeing the Pay Policy Statement itself.

14. Climate Change/Sustainability Implications

14.1 There are no direct climate change impacts associated with agreeing the Pay Policy Statement itself.

15. Summary of Options

15.1 The Pay Policy Statement is a requirement of section 38 (1) of the Localism Act 2011 that sets a statutory duty on local authorities annually to publish a statement approved by Full Council by the end of the financial year and relating to the new financial year. Failure to comply could lead to a legal challenge to the Council.

16. Conclusion

16.1 Following recommendation by the Executive, the Pay Policy Statement must be approved by Full Council.
