GENERAL

1. INTRODUCTION

- 1.1 These CPRs set out the minimum requirements the council must follow when procuring and/or entering into Contracts for the supply of goods, works and services including consultants.
- 1.2 The CPRs are put in place to ensure that the council gets value for money for residents, complies with all legal requirements, minimises the risk of challenge / undue criticism, supports social value and sustainability and provides transparency as to how it spends public money.
- 1.3 All purchasing and resulting Contracts made by or on behalf of the council must also comply with:
 - 1.3.1 all applicable statutory provisions;
 - 1.3.2 The Public Contracts Regulations 2015 and The Concession Contracts Regulations 2016 and;
 - 1.3.3 the council's Constitution, Financial Regulations, Scheme of Delegation and Authorised Signatory List as well as all relevant council policies.
- 1.4 The Procurement Officer is responsible for ensuring the CPRs are up to date and reflect current legislation.
- 1.5 The Section 151 Officer (referred to as the S151 Officer) is ultimately responsible for the content of the CPRs.
- 1.6 The thresholds for publishing higher value contracts in accordance the Public Contract Regulations 2015 (PCR) as of 1 January 2022 are £213,477 for Goods and Services and £5,336,937 for Works contracts, both values should be calculated inclusive of VAT.
- 1.7 The Council welcomes comments and feedback on its policies and procedures. Please contact the council procurement officer at Procurement@waverley.gov.uk name if you have any comments.
- 1.8 Related Council Policies – Finance Regulations (insert hyperlink)

2. SCOPE

2.1 These CPRs do not apply to the following types of Contract:

Type of Contract	Policy/ Law which covers Contracts out of scope
Contracts of employment for permanent / fixed term employees / agency staff	HR / Recruitment policies
Land transactions	In accordance with the Local Government act 1972/ Housing act 1985 or any related acts or authorities
Where the Contract relates to a financial transaction	Not subject to competition due to their nature

Grants being given by the council	Governed by Grant Funding -Service Level Agreements
Contracts for goods and services which have been dealt with or jointly procured by another local authority, public sector consortium or collaboration of which the council is a party but where the council is not the lead authority and the Contract is to be procured in accordance with the applicable Contract standing orders of that public authority. Contract sign off thresholds still apply to such contracts.	The procurement of Contracts of this nature will be governed by the Constitution of the Contracting / lead authority
Orders for goods and services placed against a call-off Contract or Framework Agreement where the call-off Contract or Framework Agreement has been awarded in accordance with these CPRs	The establishment of the call-off Contract or Framework Agreement will be governed by the CPRs in the first instance, as such any call offs / mini competitions ran under such agreement will have already complied with these CPRs.
Where good, services or works are awarded because of a declared emergency as authorised by the Emergency Planning and Resilience Officer, where any Contracts awarded are not to exceed the estimated period of recovery	Business continuity management policy
Where the Chief Executive has activated the council's 'Emergency Plan' or a business recovery plan (as outlined in the business continuity management strategy) in response to a Major Incident being declared by resilience partners	Business continuity management policy

2.2 All other Contracts made by or on behalf of the council must comply with these CPRs unless there is an Exception, Waiver or Joint Commissioning (CPR 13).

3. COMPLIANCE

- 3.1 Any members of staff or external supplier purchasing on behalf of the council is expected to comply with these CPRs.
- 3.2 Where there is evidence of deliberate non-compliance with the CPRs disciplinary action may be taken.
- 3.3 Staff must not deliberately break down a Contract with the intention of disaggregating spend for the purpose of avoiding the appropriate governance.

4. GENERAL PRINCIPLES APPLYING TO CONTRACTS

- 4.1 There are four financial value thresholds, Threshold 1: £0-£4,999, Threshold 2: £5,000-£24,999, Threshold 3: £25,000–£99,999 and Threshold 4: £100,000+.
- 4.2 All Contracts must be in writing (which can include emails for Contracts valued within Threshold 1).
- 4.3 The value of any Contract must be determined by its aggregate or total spend forecast.
- 4.4 For every Contract estimated to be within Threshold 1, quotations and tenders may be sought using the council's electronic tendering portal, the South East Shared Services e-sourcing Portal provided by "In-Tend", otherwise quotes can be solicited via email.
- 4.5 For every Contract estimated to be within Threshold 2 or above, all quotations and tenders must be sought using the council's electronic tendering portal, the South East Shared Services e-sourcing Portal provided by "In-Tend".
- 4.6 In the case of recurring procurements for the same goods and services, prior written approval from the S151 Officer must be obtained in order to request quotations from the same suppliers on more than three consecutive occasions.
- 4.7 Details of all Contracts awarded valued at £5,000 and above more must be added to the council's Contract Register on the E-tendering portal together with all supporting documentation.
- 4.8 With regards to thresholds 3-4 Tenders, no supplier may be awarded a Contract if this would result in 50% or more of that supplier's turnover being generated from the Council's Contracts, unless the prior written approval of the S151 Officer has been obtained.
- 4.9 Prior to any invoices being received a purchase/ official order must be raised on the council's official order system or Orchard (Housing Management System).
- 4.10 Prior to any procurement a contract manager shall be identified who will be responsible for ensuring the delivery of the contract.
- 4.11 These CPRs identify relevant legislation that may impact upon council procurements, the list of legislation identified is not exhaustive, and as such officers should satisfy themselves that there is no other legislation that may impact upon their procurements before proceeding.
- 4.12 There is always the possibility that additional services, goods or works which could not have been reasonably foreseen at the point of tendering may be required. In the case of Thresholds 1-2 this is permitted up to an additional 20% of the original contract value, where; there is sufficient budget, the need could not have been anticipated, it is in line with the original scope of the contract and the additional spend does not cause the total spend to exceed £25k. For thresholds 3 and 4 or for variances larger than 20% officers must follow the process as outlined in CPR 13.2.1

5. SOCIAL VALUE

- 5.1 The Public Services (Social Value) Act 2012 places a requirement on people who commission, or buy, public services to consider securing added economic, social or environmental benefits for their local area.
- 5.2 The Act currently applies only to goods and service Contracts over the PCR threshold but shall be considered in all procurements where applicable.
- 5.3 Social value should form part of a bidder's commitments at tender stage and should be tailored to the subject nature of the contract being awarded

6. MODERN SLAVERY

- 6.1 The Modern Slavery Act 2015 was put in place to tackle modern slavery, defined in the act as slavery, servitude, forced or compulsory labour, human trafficking and exploitation.
- 6.2 While the council is not an in-scope organisation for the purpose of the act, officers shall ensure that proportionate due diligence is undertaken to certify that council-appointed contractors do not participate in modern slavery, either directly or within their supply chains.

7. TAX IMPLICATIONS

7.1 Construction Industry Scheme (CIS)

- 7.1.1 Under the Construction Industry Scheme (CIS), the council is required to deduct money from a subcontractor's payments and pass it to HMRC.
- 7.1.2 The deductions are considered an advance payment towards the subcontractor's tax and National Insurance and are an effort by HMRC to protect construction workers from false employment and minimise tax evasion in the construction industry.
- 7.1.3 Officers shall ensure when setting up a new contractor / subcontractor on the councils payment system that all CIS related information is provided to the accounts payable team in order to verify the details.
- 7.1.4 When receiving invoices for works where CIS deductions are being made, a breakdown of labour and materials should be provided, with evidence of the materials if possible.

7.2 IR35

- 7.2.1 IR35 relates to off-payroll working. This is where a supplier is operating and providing services for the council via an intermediary, such as a limited company, and were it not for that arrangement, they would be considered an employee and within IR35. It is the responsibility of the council to determine if IR35 applies or not. If it does apply the council (or fee payer if via an agency) would be responsible for making employment tax and National Insurance deductions.
- 7.2.2 HMRC have developed a toolkit for determining if a supplier is in scope of IR35 but the key considerations are:

- 7.2.2.1 Does the supplier have to carry out the work personally, as opposed to having the option of sending a suitably qualified / experienced replacement from within the same company?
- 7.2.2.2 Does the council have to provide the supplier with work, and/or does the supplier have to carry out any work that the council requires?
- 7.2.2.3 Does the council have control over how, where and when the supplier carries out the work?
- 7.2.3 While the HMRC toolkit and questionnaire are designed to establish the IR35 position, evidence must be retained to justify how that decision has been reached.
- 7.2.4 If the answers to 7.2.1.1 - 7.2.1.3, are yes, the supplier is likely to be in scope of IR35, so they would then be outside the scope of the CPRs as this would be considered an employment contract (either directly with us or through an agency or other employer), see CPR 2.1 (Scope). If the supplier is outside the scope of IR35 they should be considered a consultant and as such are bound by these CPRs i.e. competitive quotes must be obtained, and any subsequent appointments must be in conjunction with the council's consultancy terms and conditions, unless agreed otherwise by the relevant Head of Service.

7.3 REVERSE CHARGE OF VAT

- 7.3.1 Domestic reverse charge affects the way VAT is collected and paid in the building and construction industry. This means the customer receiving the service will have to pay the VAT due to HMRC instead of paying the supplier. This will impact on procurements where the council is not the end user of the works. If officers think this may affect them then contact the Accountancy service for more information.

8. ACCESSIBILITY STANDARDS

- 8.1 Any procurement that will result in a public facing website where the council or a supplier on its behalf is presenting information relating to the council or services the council offer, must comply with the accessibility standards in both The Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations and Equality Act 2010. The Communications team should be consulted in the above circumstance.

9. CARBON NEUTRALITY

- 9.1 Waverley Borough Council is committed to becoming a net zero carbon council by 2030. As such for every procurement within the scope of these CPRs, the environmental impact must be considered when drafting the specification, the emphasis should be placed on minimising the carbon footprint with a view to offsetting the carbon impact where minimising cannot be achieved. The use of renewable energy or low carbon technologies should be stipulated where applicable.
- 9.2 Suppliers being invited to participate in material Waverley procurement exercises (Threshold 4) shall be required to assess and document all measures that they are taking to reduce the carbon footprint of their operations, both in the delivery of the council contract and wider business operations. Where legally permissible Waverley shall take these measures into considerations when evaluating competitive tenders.

10. TRANSPARENCY

- 10.1 **Publication of spend, Contract opportunities and awards** – in accordance with government requirements we publish all council expenditure with suppliers that exceeds £500 and post all Contracts valued at £5,000 and above on our publicly accessible Contracts register, this can be found on the council's public website. Any advertised opportunity valued over £25,000 must be advertised on Contracts finder, for Contracts over £25,000 a Contract award notice must also be published. For PCR threshold contracts, the contract notice and award notice must be published on the Find a Tender Service.
- 10.2 **Freedom of Information** – in accordance with the Freedom of Information Act (FOIA) 2000 and Environmental Information Regulations (EIR) 2004, we have an obligation to publish specific information and to provide information to members of the public upon request. By exception confidential or commercially sensitive information may be withheld. Suppliers should be given the opportunity to identify areas of their tender submission they do not wish to be disclosed.

PREPARING FOR THE PROCUREMENT

11. PRE-CONTRACT CONSIDERATIONS / SIGN OFF

- 11.1 Before commencing a procurement process, officers must ensure:
- 11.1.1 They have conducted an options appraisal and that a procurement is required
 - 11.1.2 that there is adequate budgetary provision for the goods, services or works that they are procuring
 - 11.1.3 that they have the appropriate level of (delegated) authority to procure the goods or services on behalf of the council
 - 11.1.4 that there is no existing Contract or framework that is appropriate and that
 - 11.1.5 where appropriate they have engaged with the procurement officer
 - 11.1.6 that each tender package / request for quotation be accompanied by a comprehensive specification
 - 11.1.7 an assessment, appropriate to the scale and scope of the Contract, of associated risks shall be undertaken by competent officers or consultants to include, but not limited to, technical, commercial, health and safety and reputational risks posed to the council.

12. DECLARATION OF INTERESTS AND CONFIDENTIALITY

- 12.1 **Declaration of Interests** - During the procurement process, if an officer becomes aware that they have an interest (see the councils Code of Conduct) in a Contract which the council has entered, or proposes to enter into, their interest must be recorded on the Declaration of Interests form (Annex 1). If an external party is involved in the preparation of a procurement, they should complete this form before commencing any work.
- 12.2 **Confidentiality** - Information obtained during the tender process should be considered confidential. Information received during this time shall not be shared with other bidders in any circumstances except where relevant when providing feedback.

13. EXCEPTIONS, WAIVERS AND JOINT COMMISSIONING

13.1 The CPRs will not apply in the circumstances set out in CPRs 13.2 (Exceptions) 13.3 (Waivers), or 13.4 (Joint Commissioning) provided that the S151 Officer has given his prior approval to the exception, waiver or joint commissioning before the Contract is entered into. Requests must be made using the Exceptions, Waivers and Joint Commissioning request form which will then be logged on a central database.

13.2 **Exceptions** - there may be an exception to the CPRs where:

13.2.1 there is an extension to the duration and/or value of an existing Contract that does not contain a provision for extension provided that the extension is (i) on the same terms as the original Contract and (ii) adequate budgetary provision has been made. Where an extension concerns an PCR Threshold contract or where an extension would lead to a contract falling within the relevant PCR threshold the prior written approval of the Executive is required to award the proposed extension.

13.2.2 there is insufficient credible competition, and the S151 Officer has agreed the competition assessment.

13.2.3 there is a variation (additional work) to an existing Contract where the variation is outside the scope of the Contract, but it would be inappropriate to offer the additional work to competition; or

13.2.4 the S151 Officer is satisfied that it is appropriate for a single tender or quotation and that;

13.2.4.1 it does not breach the council's statutory obligations,

13.2.4.2 the request considers the requirements of CPR 4, GENERAL PRINCIPLES APPLYING TO CONTRACTS

13.2.4.3 there is adequate and appropriate reason for awarding a Contract without competition,

13.2.4.4 the award of a Contract would provide good value for money and shall specify the evidence to be supplied to evidence this,

13.2.4.5 the necessary checks regarding the proposed Contractor have been undertaken in accordance with CPR 14 ASSESSMENT OF SUPPLIERS (as appropriate) and that the results do not indicate that a Contract award presents an undue risk to the council, and

13.2.4.6 an assessment of any associated risks has been undertaken.

13.3 **Waivers** –the CPRs may be waived only in exceptional circumstances where:

13.3.1 there is a demonstrable and justifiable need to waive or vary one or more of the CPRs on the grounds of urgency; and

13.3.2 if the estimated value of the Contract falls below the PCR threshold the prior written approval of the S151 Officer has been obtained; or

13.3.3 if the estimated value of the Contract falls within the relevant PCR threshold the S151 Officer has obtained the prior written approval of the Executive.

13.4 **Joint Commissioning** –the CPRs may be waived for Contracts where the council:

13.4.1 seeks to jointly deliver services in partnership with other local authorities or organisations.

14. ASSESSMENT OF SUPPLIERS

- 14.1 No assessment of a suppliers financial standing is needed for Contracts estimated to be within Thresholds 1 or 2 unless the goods being purchased are a proprietary item, in which case a financial assessment must be conducted.
- 14.2 A financial assessment of potential suppliers must be undertaken for all Contracts estimated to be within or above Threshold 3
- 14.3 If a Contractor has expressed an interest in being included in a Standing List of Suppliers an assessment will be made of a Contractor's:
- 14.3.1 financial stability and resources;
 - 14.3.2 insurances;
 - 14.3.3 technical and other relevant references;
 - 14.3.4 business continuity plans;
 - 14.3.5 qualifications and experience;
 - 14.3.6 environmental, ethical and employment policies;
 - 14.3.7 previous experiences of dealing with the Contractor;
 - 14.3.8 responsible purchasing policies;
 - 14.3.9 details of other Contracts already, or proposed to be, awarded to the Contractor; and
 - 14.3.10 any other issues that may be considered by the relevant Head of Service as being relevant to the Contract.
- 14.4 A Contractor that does not meet the council's minimum requirements shall not be admitted to a Standing List of Suppliers.
- 14.5 Suppliers that are sole traders can be awarded an individual Contract with a value within Threshold 1 or 2, but the approval of the relevant Head of Service must be obtained to approve such an award with a value within Threshold 3 or above.

15. STANDING LIST OF SUPPLIERS

- 15.1 The relevant Head of Service may maintain a standing list of suppliers for Contracts up to and including Threshold 3 in value.
- 15.2 The council's e-tendering portal must be used to obtain expressions of interest from suppliers to join the standing list.
- 15.3 Potential candidates for inclusion on the standing list of suppliers will be assessed in accordance with CPR 14.
- 15.4 The standing list must be reviewed at least every 2 year and the assessments set out in CPR 14 repeated.
- 15.5 Suppliers can be added to the list during the 2 year period to increase competition or removed due to performance issues.

16. FRAMEWORK AGREEMENT

- 16.1 Prior to entering into a Framework Agreement, approval from the S151 officer must be sought.
- 16.2 A Framework Agreement may be procured using either the Open or Restricted Procedure.
- 16.3 The term of a Framework Agreement must not exceed 4 years.
- 16.4 Contracts based on existing Framework Agreements may be awarded by either:

- 16.4.1 Applying the terms laid down in the Framework Agreement (where such terms are sufficiently precise to cover the call off) without reopening competition; or
- 16.4.2 Where the terms laid down in the Framework Agreement are not precise enough or complete for the call-off, by holding a mini competition.

17. DYNAMIC PURCHASING AGREEMENT (DPS AGREEMENT)

- 17.1 Prior to entering into a DPS Agreement, approval from the S151 officer must be sought.
- 17.2 A DPS Agreement may be procured using either the Open or Restricted Procedure.
- 17.3 The term of a DPS Agreement must not exceed 7 years.
- 17.4 Contracts based on existing DPS Agreements may be awarded by either:
 - 17.4.1 Applying the terms laid down in the DPS Agreement (where such terms are sufficiently precise to cover the call off) without reopening competition; or
 - 17.4.2 Where the terms laid down in the DPS Agreement are not precise enough or complete for the call-off, by holding a mini competition.

18. TUPE IMPLICATIONS

- 18.1 Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE) apply when an employee of the authority or of a supplier providing a service to the council may be affected by any staff transfer arrangement because of a change in the service provider. Officers must ensure that any TUPE issues are considered and legal advice is obtained from the Legal Services team before proceeding with the Tender / Request for Quotation. Where the TUPE relates to an individual currently or to be employed by the authority, HR should be engaged as soon as this becomes apparent.

19. FINANCIAL VALUES

- 19.1 Prior to commencing a procurement exercise officers must estimate the aggregate value; this will determine which threshold the procurement falls under.
- 19.2 The financial values will be reviewed bi-annually.
- 19.3 If the cheapest tender received is above the upper limit of the estimated CPR financial value as set out in the Threshold Table and/or any approved budget for the procurement of the goods, works or services, the prior written approval of the S151 Officer must be obtained to accept the tender or quotation. Where the PCR thresholds are crossed a tender must be re-run e.g., if the budget for a services tender is £190k but the received bids all exceed the PCR threshold limit of £213k then the exercise but be repeated with a more appropriate procedure.
- 19.4 The Threshold Table (page 14) sets out the general rules applying to the choice of purchasing procedure for Contracts at the stated threshold financial values, it states,

19.5 For purchases valued below £5,000

- 19.5.1 A minimum of one quote must be sought, this is only a required minimum and best practices dictates you seek multiple quotes to prove you are obtaining true value for money.
- 19.5.2 The quotes can be sourced via In-tend or email.
- 19.5.3 Local suppliers should be asked to quote where appropriate.
- 19.5.4 An official order will constitute the Contract
- 19.5.5 The purchase and written approval / signing of the Contract can be conducted by any authorised officer

19.6 For purchases valued from £5,000 - £24,999

- 19.6.1 Either an Open tender or a minimum of three quotes must be sought and obtained; fewer than three is required if written approval is given by the Procurement Officer or Head of Service.
- 19.6.2 All quotes must be obtained via In-tend.
- 19.6.3 All quotes must be sealed

- 19.8.3 All tenders must be sealed
- 19.8.4 Legal Services to advise if a Seal is required. If Seal is required, it must be witnessed in accordance with Schedule of Authorisations to the Scheme of Delegation.
- 19.8.5 Signed by S151 Officer or Deputy S151 Officer where Seal is not required.
- 19.8.6 Where the Contract is estimated to be above the relevant PCR threshold, a PCR compliant procedure must be used (see CPR section 20, TENDERING PROCEDURES. Current PCR threshold limits as of 1st January 2022 are Goods/Services - £213,477, Works - £5,336,937, both values should be calculated inclusive of VAT.

PROCEDURAL STEPS OF THE PROCUREMENT

20. TENDERING PROCEDURES

20.1 General:

- 20.1.1 The council may apply any procedure that conforms to the Public Contracts Regulations 2015 in its procurement process's.
- 20.1.2 Subject to CPR 13 the appropriate process set out in the Threshold Table must be followed for each procurement determined by the estimated value of that procurement.
- 20.1.3 Invitations to tender or requests for quotations must be issued electronically (via email for Threshold 1 and via the council's e-tendering portal for and procurement within or exceeding Threshold 2).
- 20.1.4 All tenders or quotations must be returned to the council electronically (via email for Threshold 1 and via the council's e-tendering portal for and procurement within or exceeding Threshold 2).
- 20.1.5 A Contract Procurement Report must be completed and stored on E-tendering portal for each tender or quotation within or exceeding Threshold 2
- 20.1.6 For all quotes/ tenders the award criteria must be stipulated before request/tender is published, this includes;
- The assessment criteria
 - The scoring system and weighting to be applied
 - The minimum scores to be achieved (where appropriate)

20.2 Existing arrangements

- 20.2.1 In the first instance anyone purchasing on behalf of the council must check to see if there is an existing arrangement already in place which covers the purchase.
- 20.2.2 Where a framework / dynamic purchasing system / select list has been established to deliver the need, these will be considered alongside other routes in an options analysis.

20.3 Request for Quotation (RFQ)

- 20.3.1 This approach only applies for purchases below £100k where suppliers are requested to submit a quote for the requirements. Like a tender you can apply a price / quality split when evaluating the responses but the award criteria must be stated upfront in the RFQ documentation.

20.4 Open Procedure (One Stage)

The open procedure is where a bidder progresses straight to invitation to tender (ITT), there is no pre-qualification stage involved. This procedure shall apply where:

- a) the value of the Contract award will be below the relevant PCR threshold;

- b) the value of the Contract award will be above the relevant PCR threshold and the council has decided that a single stage tender is appropriate.

20.5 Restricted Procedure (Two Stage)

- 20.5.1 This procedure can only apply where the value of the Contract award will be above the relevant PCR threshold
- 20.5.2 The required advertising and tendering periods must be observed.
- 20.5.3 The advertisement must state that a restricted tendering procedure will be used.
- 20.5.4 Once the closing date for receipt of expressions of interest has been reached a Standard Selection Questionnaire (“SQ”) must be sent to all suppliers that have expressed an interest in tendering.
- 20.5.5 Upon receipt of the completed SSQ the information will be analysed.

GLOSSARY OF TERMS

Authorised Signatory List	This is the list of officers authorised to make financial transactions. Head of Service approval is required before an officer may be included in the List.
Call-off Contracts	This term is used to describe a Contract that is entered into for a specified period but where the total value and quantity of items ordered cannot be quantified at the outset. An example might be a Contract for the supply of office stationery. Prices are specified for the duration of the Contract, subject as necessary to fluctuation according to agreed formulae.
Contract	This term is used to refer to any procurement transaction or planned procurement transaction.
Contract	All references to Contract values refer to the estimated value unless otherwise specified. The estimated value is calculated over the entire period of the Contract, including the period of any possible extensions to the term of the Contract. Where the term of the Contract is not known, a term of 4 years must be assumed and applied when calculating the Contract value. The calculation of the value must be assessed exclusive of Value Added Tax.
Corporate Management Team	The Corporate Management Team is the meeting of the Chief Executive and Directors, which is advised by Heads of Service and other Officers as appropriate.
Financial Regulations	This refers to the set of rules that govern the way the council's finances are administered and controlled. They are maintained by the Section 151 Officer.
Framework Agreement	A Framework Agreement is an arrangement of one or more Contracting authorities with one or more suppliers in order to establish the terms governing the Contracts awarded and includes both Public Sector Framework Agreements and council Procured Framework Agreements.
Goods/Works/Services	A Contract will be in connection with the acquisition of one or more of these categories of purchases. The use of one of these terms should be taken to mean all the terms unless expressly stated to the contrary.
Highest/lowest price	The term "lowest price" (where payment is to be made by the council) shall also be taken to mean the highest price (where payment is to be made to the council).
Land and buildings	Disposal of land and buildings refers to outright sale and long-term leases. It does not include short-term leases of three years or less. The disposal of small parcels of land, such as to private residents for extension of gardens, may be the subject of standard procedures that may be agreed between the relevant director and the Section 151 Officer in accordance with CPR 30.
Lists prepared by third parties	This refers to such lists as "Constructionline" and similar lists of Contractors that have been assessed by other organisations.

Official order	This term is interchangeable with the term purchase order. An official order must be raised prior to receiving an invoice either via the councils official order system or the Orchard system.
Open tendering	Open tendering refers to a situation where all Contractors that have expressed an interest in a Contract are sent an invitation to tender. It is distinct from selective/restrictive tendering in that assessment of the Contractors will take place once the tenders/quotations are received using a questionnaire and an assessment of their financial stability, references and insurances.
Partnership Contracts	Partnership Contracts are designed to enhance cooperation between the council and a Contractor/other parties to the Contract. The purpose is to enable services to be reviewed and delivery arrangements amended at various times within the life of the Contract. Whilst terms and conditions may require amendment as a consequence, it is not intended that this should impede smooth working and transition to new arrangements should be facilitated. Therefore different arrangements will apply to allow amendment to terms and conditions in a planned and controlled manner.
Professional services (“consultants”)	<p>Consultants are used for a wide variety of purposes. Generally the term is therefore used to relate to the providers of professional skills and expertise which, for whatever reason, cannot be provided by the council’s own staff. Regardless of the role to be played, for the purposes of these CPRs Contracts for the provision of professional expertise will be regarded in the same manner as other Contracts for the supply of goods, works and services.</p> <p>Appointment of a person through an employment agency or an appropriate professional body to fulfil duties that otherwise would be performed by a member of staff will not be subject to CPRs. A separate procedure is available from Employee Services concerning this. Engaging a person to undertake a specific piece of work with specific terms of reference is deemed to be consultancy and must be procured in accordance with the CPRs.</p>
Quotation	A price given by a supplier for a specified piece of work, goods or service based largely on the supplier’s terms and conditions but with relevant conditions as determined by the council.
Relevant Director	This term is used to denote the Chief Executive, Director of Finance and Resources (Section 151 Officer) or the Director of Operations in person. Where an officer from one service is working in circumstances where they are responsible to another service for the purposes of a procurement exercise, then it is that other director who is the responsible director. In some CPRs the Chief Executive and the Section 151 Officer are mentioned by title; where this is done, they are not acting as the relevant director.
Relevant Head of Service	This term is used to denote the head of the service responsible for procuring a Contract.
Relevant Portfolio holder	This refers to the elected Member of the council who at the time the procurement exercise is being undertaken is the relevant

	member of the council's Executive responsible for the service in question.
Responsible Purchasing	The council's overarching approach to the acquisition of goods and services, ensuring that purchasing decisions are made with the best long-term interest of the environment in mind, particularly having regard to sustainability issues.
Section 151 Officer	This refers to the council's Chief Finance Officer, being the officer responsible for the council's financial administration as defined by the Local Government Act 1972.
Scheme of Delegation	This term refers to the council's Scheme of Delegation to Officers, which specifies the extent to which the conduct of the council's affairs is delegated to council officers. If at any time there appears to be a conflict between the Scheme of Delegation and Contract Procurement Rules, the former shall take precedence.
Selective/restricted tendering	Selective or restricted tendering refers to a situation where Contractors expressing an interest in tendering/supplying a quotation are asked to complete a pre-qualification questionnaire. The completed questionnaire is assessed, and an assessment of the Contractors' financial stability, references and insurances is undertaken in order to produce a short-list of Contractors that will be invited to tender/provide a quotation.
Specification	The use of the word 'specification' refers to a statement of the council's minimum purchase requirements. For illustrative purposes, it includes as appropriate such matters as: a) Technical drawings b) Recognised international standards c) Method of delivery d) Terms and conditions of supply and delivery e) Responsible purchasing requirements.
Standard Selection Questionnaire	This is the questionnaire which has been developed to simplify the supplier selection process for businesses using the Restricted Procedure to procure goods or services. It has replaced the Pre-Qualification Questionnaire.
Supplier/Contractor	Both these terms are used to refer to a provider or potential provider of goods, works or services. Once a Contract has been placed with a supplier, that supplier may be more precisely referred to as a Contractor.
Tender	A price given by a supplier in response to a full specification of the goods, works or services required and based upon terms and conditions specified by the council. These terms and conditions may be as laid out in a commonly used standard form of Contract. The processes for seeking and receiving quotations and tenders are set out within these CPRs. The precise requirements in respect to any specific Contract will have to be assessed according to the nature and complexity of the Contract as well as its value.
