Dear Sirs,

I am sending you this mail in support of a late licence to be granted to the above restaurant. The whole of the Lion & Lamb area seems to have come to life this year with a mature crowd enjoying the wine bar and a great selection of restaurants.

Luxe stands out with their various events which could be further utilised with a late licence.

Best regards

I have seen the application for a late licence and would like to add my support for this.

We are often in Luxe and would like an establishment where you can enjoy a late drink after dinner.

Kind regards

To whom this may concern

I understand that The Luxe in Farnham has applied for their licence to be extended to 1am and I would like to offer my support towards this. I am a regular there and it's so nice to finally have an upper class, late night venue to enjoy in Farnham. There aren't many classy venues around the local area so having this locally is a godsend but such a shame it can't stay open later.

Please contact me if you need any further info.

Kind Regards

Hello,

I am emailing regarding the restaurant Luxe in Farnham.

I am a regular customer of Luxe and support them.

Every time I have dined at Luxe I have experienced exceptional service, the staff go above and beyond, I have only good words to describe my experience each time.

As a regular customer, I tend to stay till close. Each time they close early and I leave early. I support the application of late closing.

Having being a resident of Farnham for many years, I can definitely say Luxe is exactly what Farnham needed, I am sure many will agree with me.

Yours sincerely

To whom it may concern,

Our local restaurant Luxe in Farnham is applying for a late licence and I just wanted to relay our thoughts on the matter.

As a company we often take our staff to Luxe and we've found it to be so lovely, it's nice to be able to stay in the same venue after food for drinks and music with no trouble and a lovely atmosphere.

Its suitable for all ages especially the older members. If we eat later 11pm is just too early to go home.

Kind regards,

Hi,

Just writing to support the suggestion of the luxe in Farnham having a late license as it's a really good spot which has brought a lot of people out to socialise again and I feel it closes to early and would really benefit customers like myself to have extra time in there, there's never any trouble or a-lot of noise and think it would be a good move!

Many thanks, [REDACTED]

Hi,
I just wanted to back their application, having eaten and drank in the Luxe I totally back its application, it's a very fun, happy vibe, they seem to do all they can to make client happy and comfortable, I've not seen or heard of any trouble and I think that's down to their clients as they don't let just any body in, in my view it's a massive positive to Farnham Town

Thanks

Good evening,

I am writing to inquire why the license for The Luxe only extends until 11pm on Fridays.

This seems unreasonable compared to other venues like Borelli's and The Queens Head, among many others.

As a resident and business owner in Farnham, I strongly urge the council to support independent businesses by considering an extension of The Luxe's license.

Such a move would not only benefit Farnham residents but also demonstrate the council's support for independent businesses.

Kind regards,

To whom it may concern,

I would like to register my support for the late licence application for The Luxe restaurant in Farnham.

I think the new luxurious venue has already elevated the dining sector in the area and has brought in new out of area clientele and revenue.

I do not see any harm with the late licence application as the area the restaurant is located is non residential so would not impose any noise pollution.

A local opportunity to dine and have music until 1am would be a very welcome addition to the area.

Your sincerely
