**Subject:** William Cobbett Ltd 4 Bridge Square, Farnham

①

We wish to object to the application to extend opening hours by 30 minutes Friday and Saturday nights bringing last orders to 1 am.

The William Cobbett is located in a residential area, currently with last orders at 12.30am. considerable disturbance occurs about 30mins later at 1am on Fridays and Saturdays.

This includes loud shouting, swearing with groups of individuals arguing; drunken individuals walking in the road resulting in cars hooting.

The following morning one usually finds the open front garden has been used as a urinal.

Having gone to bed at a reasonable hour we are then kept awake for over an hour.

It is unreasonable to expect The William Cobbett to again further extend their opening hours when they have no ability to control their customers once they leave the premises into a quiet residential area.

**Subject:** Application by William Cobbett Ltd for Variation of Opening Times

②

I noticed the application by the William Cobbett Pub in Farnham for a Variation in timings to an existing premise licence to extend opening hours by 30 mins on a Friday and Saturday.

We live at \_\_\_\_\_ opposite the pub and are constantly woken in the evenings when the pub shuts through people shouting, fighting and on the odd occasion being sick in the street outside our house. We have also spoken regularly with the Environmental Health team at Waverley with respect to excessive music noise from music from the pub. We were recently provided with recording equipment to measure the noise levels.

I am opposed to any extension of licence to make the situation worse for my family in the evenings and I am aware of other residents of Bridge Square who will also be writing to you on this subject. One in particular is \_\_\_\_\_ who lives at \_\_\_\_\_. She is now infirmed in her home and is disturbed by the noise at the weekends. She has asked that I include her opposition to the extension as part of this email.

Regards
